INTERNATIONAL CONFERENCE ON SUSTAINABLE DEVELOPMENT AND THE MILLENNIUM GOALS

The International Conference on Sustainable Development and the Millennium Goals was held in Johannesburg, South Africa, from 26 to 28 September 2001. The conference was organized by the United Nations Development Programme (UNDP) and the United Nations Environment Programme (UNEP). The conference was the first of its kind to bring together representatives from all 191 countries of the United Nations system, as well as representatives from the private sector, academia, and civil society. The conference was held in Johannesburg, South Africa, at the invitation of the South African Government. The conference was a landmark event in the history of the United Nations system, as it was the first time that all 191 countries of the United Nations system were represented at a single conference. The conference was a success, as it was able to bring together representatives from all 191 countries of the United Nations system, as well as representatives from the private sector, academia, and civil society. The conference was a landmark event in the history of the United Nations system, as it was the first time that all 191 countries of the United Nations system were represented at a single conference.
