The diagram illustrates the number 26 using rectangular blocks arranged in three rows:

- Row 1:** Two groups of 8 blocks each, totaling 16 blocks.
- Row 2:** Four groups of 3 blocks each, totaling 12 blocks.
- Row 3:** One group of 7 blocks, totaling 7 blocks.

Adding the totals from each row:  $16 + 12 + 7 = 35$ . This suggests the diagram might represent the number 35, or there may be a misinterpretation of the block counts.
