THE UNIVERSITY OF THE STATE OF NEW YORK OFFICE OF THE STATE COMPTROLLER

The State Comptroller is pleased to announce that the Office of the State Comptroller has been awarded the contract for the design and construction of a new building for the Office of the State Comptroller. The building will be located in Albany, New York, and will provide office space for approximately 100 employees. The estimated cost of the project is \$10 million.

The building will be a three-story structure with a total area of approximately 100,000 square feet. It will include a main entrance, a parking garage, and a series of offices and support spaces. The building will be designed to be energy efficient and environmentally friendly. The project is expected to be completed in late 2024.

The Office of the State Comptroller is committed to providing high-quality services to the State of New York. This new building will provide a modern and functional workspace for our staff, and will help us to better serve the State. We are grateful for the support of the State and the public in making this project possible.

The Office of the State Comptroller is a part of the State of New York's executive branch. It is responsible for auditing the State's accounts and reporting on the State's financial condition. The Office also provides advisory services to the State's agencies and departments.

The Office of the State Comptroller is a public agency and is subject to the provisions of the Freedom of Access to Clinic Entrances Act (FACED). The Office is committed to providing equal access to its services and facilities for all individuals, regardless of their race, ethnicity, or disability.

For more information, please contact the Office of the State Comptroller at (518) 475-3000.
