# THE UNIVERSITY OF THE SOUTH PACIFIC SCHOOL OF DISTANCE EDUCATION BACHELOR OF SCIENCE DEGREE IN INFORMATION TECHNOLOGY

The University of the South Pacific (USP) is a multi-campus university serving the Pacific region. The School of Distance Education (SDE) is a part of USP that provides flexible learning opportunities for students who are unable to attend traditional face-to-face classes.

The Bachelor of Science (BS) Degree in Information Technology is a four-year program that prepares students for careers in the IT industry. The program includes a variety of courses that cover the fundamentals of computer science, programming, and network management.

The program is designed to be flexible, allowing students to complete their degree at their own pace. Students can choose to study full-time or part-time, and can also take courses online or in a classroom setting.

The program is accredited by the Pacific Council on Higher Education (PCHE) and the Association of Pacific Rim Universities (APRU).

The program is also recognized by the International Association of Universities (IAU) and the Association of American Universities (AAU). The program is a member of the Association of Pacific Rim Universities (APRU) and the Association of American Universities (AAU).

The program is designed to be flexible, allowing students to complete their degree at their own pace. Students can choose to study full-time or part-time, and can also take courses online or in a classroom setting. The program is designed to be flexible, allowing students to complete their degree at their own pace. Students can choose to study full-time or part-time, and can also take courses online or in a classroom setting.
