

A 3x4 grid of 12 rectangles. Each rectangle is divided into four quadrants by a horizontal and vertical line. The rectangles are arranged in three rows and four columns. The first row has rectangles with 5, 4, 6, and 7 small squares in the top-left quadrant. The second row has rectangles with 3, 2, 8, and 9 small squares in the top-left quadrant. The third row has rectangles with 1, 10, 11, and 12 small squares in the top-left quadrant.
