□□/□□□□

The image displays a sequence of binary digits (0s and 1s) arranged in three horizontal rows. The top row contains 10 squares, the middle row contains 9 squares, and the bottom row contains 11 squares. Each square is either white or black, representing the binary value 0 or 1 respectively. The squares are arranged in a way that suggests a repeating pattern, likely representing a digital signal or a sequence of bits.
