

[illegible][illegible]

The diagram consists of two horizontal rows of rectangular boxes. The top row contains three identical groups, each consisting of ten small squares arranged in a single row. There are spaces between these groups. The bottom row contains four groups of different sizes: the first group has three squares, followed by a space, then a group of four squares, another space, a group of five squares, another space, a group of six squares, another space, a group of three squares, and finally a single square at the end.
