

# THE UNIVERSITY OF THE STATE OF NEW YORK OFFICE OF THE STATE COMPTROLLER STATE REPORT ON THE STATE OF NEW YORK FOR THE YEAR 2010

The Office of the State Comptroller has the honor to acknowledge the receipt of your report on the State of New York for the year 2010. The report contains a detailed account of the state's financial operations and the results of the state's fiscal policies during the year. The report also contains a number of recommendations for improving the state's financial management and for reducing the state's budget deficit.

The report is a valuable document for the public and for the state's officials. It provides a clear and concise summary of the state's financial situation and the actions that have been taken to address the state's fiscal challenges. The report also provides a number of recommendations for improving the state's financial management and for reducing the state's budget deficit.

The report is a valuable document for the public and for the state's officials. It provides a clear and concise summary of the state's financial situation and the actions that have been taken to address the state's fiscal challenges. The report also provides a number of recommendations for improving the state's financial management and for reducing the state's budget deficit.
