

[illegible]

The diagram illustrates the representation of numbers 0 through 9 using boxes. It consists of three rows:

- Row 1:** Contains eight individual boxes labeled 0 through 7, followed by a group of four boxes labeled 9.
- Row 2:** Contains seven individual boxes labeled 0 through 6, followed by a group of two boxes labeled 8, and another group of two boxes labeled 9.
- Row 3:** Contains six individual boxes labeled 0 through 5, followed by a group of two boxes labeled 6, another group of two boxes labeled 7, and a final group of two boxes labeled 8.
