The image shows three rows of empty square boxes. The first row contains 10 boxes. After a comma, there is another row of 10 boxes. After a dash, there is a third row of 5 boxes. This pattern repeats once more, ending with a final dash and a row of 5 boxes.

The image consists of three separate horizontal rows of rectangles. Each row contains five identical, empty rectangles with black outlines. The first row is on the left, the second is in the middle, and the third is on the right. This visual representation likely serves as a template for students to draw shapes into.
