

The diagram illustrates memory storage across three rows:

- Row 1:** Contains 10 boxes. The first 9 boxes are numbered 1 through 9. The 10th box is empty.
- Row 2:** Contains 16 boxes. The first 4 boxes are numbered 1 through 4. The next 4 boxes are empty. The final 8 boxes are numbered 5 through 12.
- Row 3:** Contains 8 boxes, all numbered 1 through 8.
