The image consists of two rows of rectangular boxes. The top row contains 10 empty boxes arranged horizontally. The bottom row contains 7 boxes, where the first 6 are filled with a light gray color and the last one is empty.

.....

The image shows a grid of 100 small squares arranged in four horizontal rows. Each row contains 25 squares. The bottom row is shaded in a light purple color, while the other three rows are white. This visual representation is used to teach the concept of the number 100 as a collection of 100 individual units.
