A 2x10 grid of 20 empty rectangular boxes, arranged in two rows of ten. The boxes are outlined in black and have a white interior. They are evenly spaced both horizontally and vertically.

The diagram consists of two horizontal rows of 10 empty rectangular boxes each. The boxes are arranged in a grid pattern, with 10 boxes in the top row and 10 boxes in the bottom row. This visual representation is used for a counting exercise, likely for children learning to count to 20.
