

INTERNATIONAL CONFERENCE ON  
ECONOMIC REFORMS AND  
DEVELOPMENT

The International Conference on Economic Reforms and Development is a platform for scholars and practitioners to discuss the challenges and opportunities of economic reform in the developing world. The conference will focus on the role of the state, the private sector, and the international community in the process of reform.

The conference will be held in a city that has been a pioneer in economic reform. It will provide an excellent opportunity for participants to learn from the experiences of others and to share their own. The conference will also provide a platform for the development of new ideas and policies.
