A 3x4 grid of rectangles. The rectangles are arranged as follows:

- Row 1: Four rectangles. The first three are vertical and have the same height but increasing width. The fourth is horizontal and has the same width as the third rectangle but a different height.
- Row 2: Four rectangles. The first is vertical. The second is horizontal. The third is vertical. The fourth is horizontal.
- Row 3: Four rectangles. The first is vertical. The second is horizontal. The third is vertical. The fourth is horizontal.
