

The diagram illustrates the relationship between tens and ones for the number 100. It is organized into three horizontal rows:

- Top Row:** Displays 10 tens blocks, representing the number 100.
- Middle Row:** Displays 10 tens blocks on the left, which are shown decomposing into 100 ones blocks on the right.
- Bottom Row:** Displays 100 ones blocks on the left, which are shown regrouping back into 10 tens blocks on the right.
