The diagram consists of two main horizontal rows of rectangles. The top row contains two groups of five rectangles each, separated by a small gap. To the right of the second group is a single, isolated rectangle. The bottom row also contains two groups of five rectangles each, separated by a small gap. The first group of five rectangles is positioned directly below the first group in the top row, and the second group of five rectangles is positioned directly below the second group in the top row.
