The diagram consists of two horizontal rows of rectangular boxes. The top row contains three distinct groups of boxes: a group of ten single boxes, a group of five double boxes (two boxes joined side-by-side), and a group of eight triple boxes (three boxes joined side-by-side). The bottom row contains four distinct groups: a group of six single boxes, a group of seven double boxes, a group of one triple box, and a group of one quadruple box (four boxes joined side-by-side).
