A horizontal row of seven identical rectangular boxes. Each box contains a 2x5 grid of small squares. The boxes are evenly spaced and aligned horizontally.

The image consists of three separate groups of five empty rectangles each. These rectangles are intended for children to draw tally marks in, likely for a counting activity.

жизни и смерти, а также о том, каким образом можно умереть и не попасть в ад. Важно помнить, что в буддизме нет места для страха и беспокойства, так как все процессы являются естественными и закономерными.

Важно помнить, что буддизм не является религией в stricto sensu, а скорее философской системой, которая помогает человеку найти спокойствие и гармонию в жизни. Буддизм не требует от человека веры в Бога или в будущую жизнь, а только стремления к нирване, то есть к состоянию безстрастия и безмятежности.

Однако, буддизм не является пассивной философией, а скорее активной жизнью, направленной на преодоление страданий и достижение счастья. Для этого необходимо практиковать медитацию, следить за своим состоянием и действовать в соответствии с правилами буддизма.

Буддизм не требует от человека веры в Бога или в будущую жизнь, а только стремления к нирване, то есть к состоянию безстрастия и безмятежности. Для этого необходимо практиковать медитацию, следить за своим состоянием и действовать в соответствии с правилами буддизма.
