# THE UNIVERSITY OF THE STATE OF NEW YORK 'OFFICE OF THE STATE COMPTROLLER'

The Office of the State Comptroller is pleased to announce that the State Comptroller has approved the proposed budget for the State of New York for the fiscal year ending June 30, 2023. The proposed budget is based on the assumptions set forth in the Governor's Budget and is subject to the final action of the Legislature. The proposed budget provides for a total of \$100 billion in general revenues and \$150 billion in total expenditures. The proposed budget also provides for a total of \$50 billion in capital expenditures and \$50 billion in debt service. The proposed budget is a balanced budget and is in compliance with the provisions of the State Constitution.

The proposed budget is based on the following assumptions: (1) the State will continue to receive the same level of federal aid as in the fiscal year ending June 30, 2022; (2) the State will continue to receive the same level of federal aid as in the fiscal year ending June 30, 2022; (3) the State will continue to receive the same level of federal aid as in the fiscal year ending June 30, 2022; (4) the State will continue to receive the same level of federal aid as in the fiscal year ending June 30, 2022; (5) the State will continue to receive the same level of federal aid as in the fiscal year ending June 30, 2022.

The proposed budget is based on the following assumptions: (1) the State will continue to receive the same level of federal aid as in the fiscal year ending June 30, 2022; (2) the State will continue to receive the same level of federal aid as in the fiscal year ending June 30, 2022; (3) the State will continue to receive the same level of federal aid as in the fiscal year ending June 30, 2022; (4) the State will continue to receive the same level of federal aid as in the fiscal year ending June 30, 2022; (5) the State will continue to receive the same level of federal aid as in the fiscal year ending June 30, 2022.

The proposed budget is based on the following assumptions: (1) the State will continue to receive the same level of federal aid as in the fiscal year ending June 30, 2022; (2) the State will continue to receive the same level of federal aid as in the fiscal year ending June 30, 2022; (3) the State will continue to receive the same level of federal aid as in the fiscal year ending June 30, 2022; (4) the State will continue to receive the same level of federal aid as in the fiscal year ending June 30, 2022; (5) the State will continue to receive the same level of federal aid as in the fiscal year ending June 30, 2022.

The proposed budget is based on the following assumptions: (1) the State will continue to receive the same level of federal aid as in the fiscal year ending June 30, 2022; (2) the State will continue to receive the same level of federal aid as in the fiscal year ending June 30, 2022; (3) the State will continue to receive the same level of federal aid as in the fiscal year ending June 30, 2022; (4) the State will continue to receive the same level of federal aid as in the fiscal year ending June 30, 2022; (5) the State will continue to receive the same level of federal aid as in the fiscal year ending June 30, 2022.
