# Skills for Employment Investment Program (SEIP) 2015-2016

skills for Employment investment program (seip) 2015-2016  
The purpose of the SEIP is to provide training and skills development opportunities for young people, particularly those who are unemployed or at risk of unemployment. The program is designed to help young people gain the skills and experience they need to enter the workforce and start their own businesses.

The SEIP is a multi-year program that runs from 2015 to 2016. It is funded by the Government and is managed by the Skills Development Authority (SDA). The program is open to young people aged 18-24 who are unemployed or at risk of unemployment. The program provides a range of training and skills development opportunities, including:

- Work-based learning (WBL) placements
- Classroom-based training
- Entrepreneurship training
- Soft skills training

The SEIP is designed to help young people gain the skills and experience they need to enter the workforce and start their own businesses. The program provides a range of training and skills development opportunities, including:

- Work-based learning (WBL) placements
- Classroom-based training
- Entrepreneurship training
- Soft skills training
