The diagram consists of two horizontal rows of empty rectangular boxes. The top row has four distinct groups of five boxes. The first group has two boxes in the first column and one in the second. The second group has one box in the first column and two in the second. The third group has one box in the first column and three in the second. The fourth group has one box in the first column and two in the second. The bottom row has three distinct groups of five boxes. The first group has one box in the first column and four in the second. The second group has one box in the first column and four in the second. The third group has two boxes in the first column and one in the second.
