

# THE UNIVERSITY OF THE STATE OF NEW YORK OFFICE OF THE STATE COMPTROLLER STATE REPORT ON THE STATE OF NEW YORK FOR THE YEAR 1999

The Office of the State Comptroller has the honor to acknowledge the receipt of your report on the State of New York for the year 1999. The report contains a detailed account of the state's financial operations and a comprehensive analysis of the state's financial position. The report also includes a number of recommendations for improving the state's financial management and for reducing the state's budget deficit.

The report is a valuable document for the public and for the state's officials. It provides a clear and concise summary of the state's financial performance and highlights the areas where the state's financial management needs to be improved. The report also provides a number of practical suggestions for reducing the state's budget deficit and for improving the state's financial management. The report is a must-read for anyone who is interested in the state's financial affairs.
