The diagram consists of two rows of rectangular boxes. The top row has three sections: the first section contains 10 boxes, the second section contains 5 boxes, and the third section contains 5 boxes. The bottom row has four sections: the first section contains 6 boxes, the second section contains 3 boxes, the third section contains 2 boxes, and the fourth section contains 6 boxes.

The diagram consists of two rows of empty rectangles. The top row contains 10 rectangles arranged in a single horizontal line. The bottom row contains 11 rectangles, also arranged in a single horizontal line. The bottom row is positioned directly below the top row, with its first rectangle aligned to the right of the 10th rectangle in the top row. This visual representation likely corresponds to the mathematical concept of 10 plus 1 equals 11.
