

The diagram illustrates three different ways to represent the digits 0 through 9 using rectangles:

- Row 1:** Each digit is represented by one or two individual rectangles. Digits 0-8 are shown with two rectangles each, while digit 9 is shown with one rectangle.
- Row 2:** Each digit is represented by a group of two or four rectangles. Digits 0-7 are shown with two rectangles each, digit 8 with four, and digit 9 with one.
- Row 3:** Each digit is represented by a group of four rectangles. Digits 0-7 are shown with four rectangles each, digit 8 with one, and digit 9 with none.
