

The diagram illustrates the number 100 using four ten-frames. Each ten-frame is a rectangle divided into ten smaller squares. The first two ten-frames are completely filled with dots, representing 20 each. The third ten-frame is also filled with dots, representing 10. The fourth ten-frame is empty, representing 0. This visualizes the number 100 as 20 + 20 + 10 + 0.
