

A horizontal row of nine empty rectangular boxes, each with a black border, intended for children to draw or write in.

A horizontal row of eight empty rectangular boxes, each with a black border, intended for handwritten responses.

A horizontal row of seven empty rectangular boxes, each with a black border, intended for handwritten responses.

A horizontal row containing six distinct groups of five empty rectangular boxes. Each group is separated by a small gap, and the groups are evenly spaced across the row. These boxes are intended for students to draw tally marks in.

A horizontal row containing eight groups of vertical bars. Each group consists of four bars of equal height, representing a single binary digit (bit). The first seven groups each have a total of three bars (the first, third, and fourth from the left), while the eighth group has all four bars (the first, second, third, and fourth from the left) present.
