

A horizontal row of nine empty rectangular boxes, each with a black border, intended for children to draw or write in.

A horizontal row of seven empty rectangular boxes, each with a black border, intended for handwritten responses.

A horizontal row of seven empty rectangular boxes, each with a black border, intended for handwritten responses.

A horizontal bar model representing a subtraction problem. It features two identical sets of seven empty rectangles each, positioned above and below a central minus sign (-).

30

Four empty rectangular boxes arranged horizontally, intended for handwritten responses.

A horizontal sequence of thirteen empty rectangular boxes. The first ten boxes are evenly spaced and aligned horizontally. To their right, there is a small gap, followed by three more empty rectangular boxes.

The image displays four distinct groups of vertical bars, each consisting of five bars of equal height. The first group, labeled 'A', is positioned at the top left. The second group, labeled 'B', is located at the top center. The third group, labeled 'C', is at the bottom left. The fourth group, labeled 'D', is at the bottom center. All bars are rendered in black against a white background.

The image consists of two separate horizontal rows of rectangles. The first row on the left contains four empty rectangles. The second row on the right contains eight empty rectangles, arranged in two columns of four.
