

The diagram consists of four horizontal rows of rectangles. The top row contains three groups of rectangles: the first group has 10 rectangles, the second group has 6 rectangles, and the third group has 10 rectangles. The bottom row contains three groups of rectangles: the first group has 6 rectangles, the second group has 4 rectangles, and the third group has 6 rectangles.

The image displays a sequence of binary digits (0s and 1s) arranged in three horizontal rows. The first row contains 10 digits, the second row contains 11 digits, and the third row contains 12 digits. Each digit is represented by a vertical bar of a specific height: a short bar represents a '0' and a tall bar represents a '1'. The bars are positioned side-by-side in each row, creating a visual representation of the binary sequence.
