The diagram consists of four horizontal rows of rectangles. The top row has four groups of rectangles: the first group has 7 rectangles, the second has 4, the third has 8, and the fourth has 5. The bottom row has a single row of 6 rectangles. All the rectangles in the bottom row are shaded in purple, while the rectangles in the top row are white with black outlines.

The diagram consists of five rows of squares. The first four rows each contain 10 squares arranged in a single horizontal line. The fifth row contains 9 squares. In each of the first four rows, the 10th square from the left is shaded purple. In the fifth row, the 9th square from the left is shaded purple. This visual representation shows that out of 100 total squares (10 rows by 10 columns), 10 are shaded purple, representing a 10% discount.

A row of eight empty rectangular boxes, likely for handwriting practice, arranged horizontally.
