THE UNIVERSITY OF CHICAGO

THE UNIVERSITY OF CHICAGO is a private research university in Chicago, Illinois. It was founded in 1837 and is one of the oldest and most prestigious universities in the United States. The university is known for its rigorous academic standards and its commitment to research and scholarship.

The university is organized into several divisions, including the Division of the Physical Sciences, the Division of the Biological Sciences, the Division of the Social Sciences, and the Division of the Humanities. Each division is further divided into individual departments and programs.

The university is also known for its commitment to diversity and inclusion. It has a long history of welcoming students and faculty from a wide range of backgrounds and cultures. This commitment is reflected in its policies and practices, which aim to create a supportive and inclusive environment for all members of the university community.

The university is a member of the Association of American Universities (AAU), which is a consortium of leading research universities in the United States. This membership reflects the university's commitment to excellence in research and scholarship.

The university is also a member of the Consortium of Universities for the Study of Biological Sciences (CUSBS), which is a consortium of leading research universities in the United States. This membership reflects the university's commitment to excellence in research and scholarship in the field of biology.
