The diagram illustrates the addition of three numbers by grouping their digits into tens and ones. The top row shows the first number as one group of 8 (tens) and 3 (ones), the second number as one group of 6 (tens) and 2 (ones), and the third number as one group of 4 (tens). The bottom row shows the result after regrouping: one group of 6 (tens) from the first number, one group of 5 (tens) from the second number, and one group of 10 (tens) from the third number.
