

The diagram consists of four rows of rectangular boxes. The first two rows each contain ten empty boxes arranged horizontally. The third row contains ten boxes, with the first five being empty and the last five shaded in light purple. The fourth row contains ten boxes, with the first six being empty and the last four shaded in light purple. All the boxes are contained within a single large, rounded rectangular frame.

□□□ □□□

A horizontal row containing five distinct groups of empty rectangular boxes. Each group consists of two adjacent rectangles. The first group has four boxes, the second has three, the third has five, the fourth has two, and the fifth has four. These boxes are intended for children to draw their answers in.
