

The diagram illustrates the addition of two numbers by counting individual units represented by boxes.

- Top Row:** Contains three groups of boxes. The first group has 9 boxes, the second group has 8 boxes, and the third group has 5 boxes. This represents the number 9 + 8 + 5 = 22.
- Bottom Row:** Contains two groups of boxes. The first group has 8 boxes and the second group has 7 boxes. This represents the number 8 + 7 = 15.

Together, they represent the sum 22 + 15 = 37.
