## THE UNIVERSITY OF CHICAGO

THE UNIVERSITY OF CHICAGO is a private research university in Chicago, Illinois. It was founded in 1837 as the first American university to be organized on the basis of the European research university model. The university is known for its commitment to academic excellence and its diverse student body. It is a member of the Association of American Universities and the Ivy League.

The university is organized into several divisions, including the Division of the Physical Sciences, the Division of the Biological Sciences, the Division of the Social Sciences, and the Division of the Humanities. It is also home to several world-renowned research centers and institutes.
