The diagram consists of three horizontal rows of rectangles. The top two rows each have 10 rectangles, with a small gap between the two rows. The bottom row has 5 rectangles on the left side, followed by a small gap, then 2 empty rectangles on the right side, and finally a small black square at the end.

A diagram consisting of two rows of seven empty rectangular boxes each. The top row is positioned above the bottom row, and both rows are centered horizontally.
