The diagram illustrates the addition of three numbers by grouping their place value blocks:

- Row 1:** Represents the first number, 7365. It consists of four groups: seven tens rods (each composed of ten units cubes), three tens rods, six tens rods, and five tens rods.
- Row 2:** Represents the second number, 2895. It consists of four groups: two tens rods, eight tens rods, nine tens rods, and five tens rods.
- Row 3:** Represents the third number, 7000. It consists of one group of seven hundreds rods (each composed of ten tens rods).
