Из-за отсутствия в архиве писем из Америки, о которых упоминается в письме к Екатерине II, неизвестно, какую именно страну имел в виду автор письма к Екатерине II. Но в письме к Екатерине II говорится, что в Америке есть «одни из самых богатых и привилегированных народов». Известно, что в Америке были богатые народы, но не были они привилегированными. Поэтому в письме к Екатерине II говорится, что в Америке есть «одни из самых богатых и привилегированных народов».
