

Q: How do I know if I'm being followed?
A: There are several signs that might indicate you are being followed. If you notice someone looking at you in a suspicious way, or if you find yourself being followed in a public place, it could be a sign. However, it's important not to panic and to stay calm. If you suspect you are being followed, you should try to change your route, avoid public places, and contact the police if necessary.

Q: What should I do if I suspect I'm being followed?
A: If you suspect you are being followed, you should stay calm and try to identify the person or vehicle. You should avoid public places and try to change your route. If you feel unsafe, you should contact the police immediately.

Q: How can I protect myself from being followed?
A: There are several ways to protect yourself from being followed. You should avoid public places, try to change your route, and contact the police if necessary. You should also be aware of your surroundings and try to identify any suspicious activity.

Q: What should I do if I'm being followed in a public place?
A: If you are being followed in a public place, you should stay calm and try to identify the person or vehicle. You should avoid public places and try to change your route. If you feel unsafe, you should contact the police immediately.
