The diagram illustrates the multiplication $10 \times 5 = 50$ using a grid of rectangles. The top row shows five groups of rectangles, with each group containing 10 rectangles. The bottom row shows five groups of rectangles, with the first group containing 10 rectangles, the second containing 2, the third containing 5, the fourth containing 3, and the fifth containing 2. This visual representation helps in understanding the distributive property of multiplication.
