

The diagram illustrates the concept of place value by showing how many boxes are used to represent each digit from 0 to 9 in three different row configurations.

- Row 1:** Digits 0 through 9 are shown. The number of boxes increases from 1 box for 0 to 10 boxes for 9.
- Row 2:** Digits 0 through 9 are shown. The number of boxes starts at 5 for 0 and increases to 10 for 9.
- Row 3:** Digits 0 through 9 are shown. The number of boxes starts at 7 for 0 and increases to 10 for 9.
