

A horizontal row of 15 empty rectangular boxes, intended for children to write their names in, similar to a handwriting practice sheet.

A horizontal row containing four groups of five empty rectangular boxes. These boxes are intended for students to draw tally marks in, corresponding to the questions above them.

A horizontal row of ten empty rectangular boxes, intended for children to write their names in, separated by small gaps.

A horizontal row of 16 small, empty rectangular boxes, each designed to hold a single digit. The boxes are evenly spaced and extend across the width of the page.

The image consists of three identical groups of five empty rectangular boxes. Each group is positioned horizontally and centered vertically relative to the other two groups. The boxes are thin and light-colored.

The image consists of three identical groups of five empty rectangular boxes. Each group is positioned horizontally and centered vertically relative to the other two groups. The boxes are thin and light-colored.

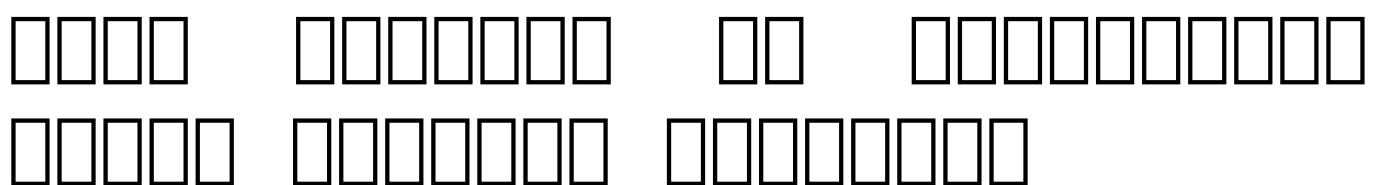

A horizontal row of 20 empty rectangular boxes, divided into four equal segments by thin vertical lines. Each segment contains five boxes.

A horizontal row of ten empty rectangular boxes, intended for children to draw or color in.

The image consists of three identical groups of five empty rectangular boxes. Each group is positioned horizontally and contains five empty boxes, likely intended for drawing or writing responses.

The image consists of three identical groups of five empty rectangular boxes. Each group is positioned horizontally and centered vertically relative to the other two groups. The boxes are thin and light-colored.

A horizontal row of 15 empty rectangular boxes, intended for children to write their names in, likely as part of a classroom activity.
