ANSWER

Городской парк культуры и отдыха «Сокольники» — один из старейших парков в Москве. Он был основан в 1928 году на месте бывшего сокольничьего лагеря. Парк занимает площадь в 100 гектаров и является популярным местом для прогулок, спорта и отдыха. В парке есть множество аттракционов, фонтанов, скульптур и зеленых насаждений. Ежегодно в парке проводятся различные мероприятия, такие как фестивали, концерты и спортивные соревнования. Парк также является местом для проведения свадеб и других торжеств.

The image consists of four identical horizontal rows of five empty rectangular boxes. Each box is defined by a black outline. The rows are evenly spaced and aligned horizontally.

The diagram consists of two rows of rectangles. The top row contains 12 empty rectangles arranged in a single horizontal line. The bottom row contains 12 rectangles, also arranged in a single horizontal line. These bottom rectangles are shaded with alternating colors: the first rectangle is light gray, the second is white, the third is light gray, and so on. A dashed horizontal line with a small gap in the center separates the first five rectangles from the remaining seven.
