

INTERNATIONAL CONFERENCE ON ECONOMIC RECOVERY AND DEVELOPMENT

The International Conference on Economic Recovery and Development is a major international forum for discussing the economic recovery and development of the world. It is organized by the International Labour Office (ILO) and the United Nations Development Programme (UNDP). The conference provides a platform for experts, policymakers, and representatives of governments, international organizations, and the private sector to share their views and experiences on the challenges of economic recovery and development. The conference also serves as a catalyst for the development of policies and programmes to address the economic recovery and development of the world.

The conference is held annually in Geneva, Switzerland. It is a major event in the international calendar and attracts a large number of participants from all over the world. The conference is organized by the International Labour Office (ILO) and the United Nations Development Programme (UNDP). The conference provides a platform for experts, policymakers, and representatives of governments, international organizations, and the private sector to share their views and experiences on the challenges of economic recovery and development.
