

# INTERNATIONAL CONFERENCE ON ECONOMIC REFORMS AND DEVELOPMENT

## PROCEEDINGS

The conference was held in Washington, D.C., from October 1-5, 1990. It was organized by the International Center for Economic Reform and Development (ICERD), a non-profit organization dedicated to promoting economic reform and development in developing countries. The conference was held in conjunction with the annual meeting of the American Economic Association. The main theme of the conference was "Economic Reform and Development in the 1990s". The conference featured a series of panels and presentations on a wide range of topics, including macroeconomics, labor economics, and development economics. The conference was attended by a large number of leading economists and policy makers from around the world.
