

The diagram consists of 10 empty rectangular boxes arranged in a single row. This row is divided into three distinct segments by vertical lines: the first segment contains 4 boxes, the second contains 3 boxes, and the third contains 3 boxes. Below this row, there are four identical groups of 4 empty boxes each. The first group is positioned directly beneath the first segment of the top row. The second group is positioned directly beneath the second segment. The third group is positioned directly beneath the third segment. The fourth group is positioned directly beneath the end of the top row. A comma is placed to the left of the first group of 4 boxes, and a period is placed to the left of the fourth group of 4 boxes, indicating a pause or end in the sequence.
