The diagram illustrates the number 29 using rectangular blocks arranged in three rows:

- Row 1:** Two groups of ten blocks each, totaling 20 blocks.
- Row 2:** One group of four blocks, followed by a gap, then another group of eight blocks, followed by a single block, a gap, another group of five blocks, and finally a group of four blocks. This row totals 29 blocks minus the gaps.
- Row 3:** A single group of five blocks.
