The diagram illustrates the subtraction problem  $20 - 16 = 4$ . It consists of three rows of boxes:

- Row 1:** Four groups of five boxes each, representing the number 20.
- Row 2:** One group of four boxes, followed by two groups of six boxes each, representing the number 16. A minus sign ( $-$ ) is placed at the end of this row.
- Row 3:** One group of five boxes, followed by two groups of four boxes each, representing the result 4.
