A horizontal line of 20 empty square boxes, with the last one being slightly taller than the others.

A horizontal timeline diagram consisting of a sequence of 20 blue rectangular boxes arranged in five groups of four. A light blue line is positioned below the boxes, indicating a time axis.

A horizontal timeline consisting of 20 blue rectangular boxes. The boxes are arranged in a single row, spaced evenly apart, and are set against a light blue background.

A horizontal sequence of 20 blue rectangular blocks, each containing a small white square, representing a 20x20 grid.

A horizontal row of 20 small blue squares, representing a sequence of 20 data points or observations.

A horizontal bar chart consisting of 20 equal-sized blue squares arranged in a single row. This visual representation likely corresponds to a sequence of 20 data points or observations.
