The diagram consists of four horizontal rows of empty rectangular boxes. The top row contains 12 boxes. The second row contains 6 boxes. The third row contains 5 boxes. The bottom row contains 7 boxes. This visual representation corresponds to the number of digits in the binary representation of the numbers 0 to 15.

A 2x10 grid of 20 empty rectangular boxes, likely for a handwriting practice sheet. The boxes are arranged in two rows of ten, with a thin horizontal line separating the two rows.
